Dearly Beloved in Christ,

The earliest attempt to unite the churches in South India took place in 1901. The Edinburgh Conference in 1910 further strengthened and shaped this effort. In 1919 Bishop V.S Azariah of the Anglican Church and Rev. Santiago of the South India United Church initiated a discussion on the union of churches. They invited the leaders of the different traditional groups and facilitated an interaction between them. This resulted in making a joint declaration which laid a solid foundation for the formation of a united Church in South India. The Church of South India was born on 27th September, 1947. This great and vibrant Church continues to be a channel of blessing to the Indian scene regardless of cast, class, color, gender, language, tribe and Religion. This Church excelled in its witness to promote India's purpose, peace & prosperity by serving all sections of people in the society.

The CSI came into being after a long period of prayerful preparation and dialogue among the various Christian denominations and of different traditions like the Anglican, the Congregational, the Presbyterian, the Methodist and later the Basel Mission.

The first Bishops of this Church were consecrated during a moving service that was held on 29th September 1947 at the CSI St. George's Cathedral, Chennai. Sharing a common faith in Jesus Christ, bringing the good news that, in and through Jesus, God was reconciling humanity to Himself, the Church began reaching out its serving hands to serve humanity.

To a world of war and injustice, prejudice and distress, Jesus brings peace, hope and transformation and new horizon of justice. For the Church of South India, Jesus remains the undying inspiration.

The Church of South India today comprises 22 Dioceses covering the five states of South India as well as Jaffna in Sri Lanka and has over 4 million

members. It has 15,000 congregations, 2013 schools with hostels, 2 medical colleges, 3 Engineering colleges, 51 Polytechnics, 104 Hospitals and clinics, 512 boarding homes and hostels and 22 homes for the aged, all of which serve to uplift society.

As we celebrate the 62nd birthday of this great Church let us bow down our heads in prayer and gratitude before the throne of Grace. May the spirit of God continue to guide and empower this united pilgrimage.

Yours in His service,

Kurian Peter Achen

Look at the above Design. Now you see a cross which burns. It also looks like a lotus flower that carries the cross. The logo of the Church of South India is having an in-depth meaning for us. It challenges us for unity and solidarity, and for celebration and liberation.

The Cross: Its four sides are equal in dimensions. This denotes that the Cross demands that the barriers, divisions, discrimination and discrepancies must be broken and the service should be penetrated to the least, lost and the last without any nepotism and favoritism.

The Lotus: Our national flower is found on stinking and stagnated waters. In spite of rooted stinky mud, lotus blossoms above the waters without blemish. In a world full of corruptions, criminalization of politics, gender, cast, racial, linguistic conflicts, power fights and struggles, terrorism and fundamentalism, the church is challenged to uproot all these evil and injustice and blossom like lotus in the midst of this crooked and sinful world.

The Fire: The petals of lotus also look like flames of fire. This symbolizes the power of the Holy Spirit. The sanctifying power also illuminates the society eliminating all injustice. Leading the people from darkness to light and produces the taste of liberation.

The Motto: "That they all may be one" (John- 17:21). This is the high Priestly prayer of Jesus, challenging us to be united in the pluralistic scenario.
